I-69 **Interdisciplinary Research: Scientific Horizons and Perspectives**: Collection of Scientific Papers «SCIENTIA» with Proceedings of the XI International Scientific and Theoretical Conference, January 30, 2026. Reykjavík, Iceland: International Center of Scientific Research.

ISBN 979-8-89660-289-7 (series)
DOI 10.36074/scientia-30.01.2026

This collection presents the proceedings of the scientific conference, bringing together research papers on a wide range of contemporary academic topics. The volume highlights diverse perspectives, innovative approaches, and practical findings that reflect the current trends and challenges in global science and education. This collection is intended for students, postgraduate and doctoral candidates, educators, researchers, and professionals from diverse disciplines.

Conference proceedings are presented in Google Books and Bookwire™ by Bowker, ensuring international availability.
