Head of the European Union Research Department,
Ukrainian Institute of Scientific Strategies*

The collection of scientific articles is a scientific and practical publication that includes research papers by students, postgraduate students, Candidates and Doctors of Sciences, researchers, and practitioners from Ukraine, Europe, neighboring countries, and beyond. The articles reflect studies of processes and changes in the structure of modern science. This collection is intended for students, postgraduate and doctoral candidates, educators, researchers, practitioners, and all those interested in current trends in the development of modern science.
